City of Porvoo

Partnership Agreement,

between the City of Rivne, Ukraine and the City of Porvoo, Finland

We hereby formally agree to establish and maintain permanent ties between our two cities in order to promote dialogue, to exchange experience, and to implement joint activities that are of mutual benefit.

The Partnership Agreement is intended to encourage cooperation and exchange of experiences between our citizens to develop mutual understanding and respect.

The Partnership Agreement aims to encourage collaboration on different levels in both communities. We would like representatives from the city council, city administration, civil society organizations, educational institutions, etc. from both cities to communicate and visit each other.

We hope that this friendship and collaboration will strengthen the ties between our two communities in the interests of peace and understanding in Europe.

The Parties may make amendments and additions to this Partnership Agreement by mutual consent.

This Partnership Agreement enters into force from the moment of its signing by both Parties and is concluded for an indefinite period.

This Partnership Agreement has been concluded and signed in six identical copies, in three languages - Finnish, Ukrainian and English. In case of disagreement or dispute, the English text of the Agreement shall prevail.

This Partnership Agreement is signed on the XXth of XXXX 2026 in the City of Porvoo, Finland.
